

## STEPS TO THE AFTON MUSEUM

The porch and steps to the Afton Museum were made with ornamental concrete blocks and special concrete by Frank Lewis & Co. in 1916. The porch has weathered quite well, but the steps have crumbled and over this past winter became dangerous and unusable. The cost to replace the steps in a way that is historically consistent with the original steps is \$6500.00. Through the generous support from The Community Foundation for South Central New York with a grant for \$2500.00 and from the Community Foundation of Unadilla, N.Y. with a grant for \$1000.00, we are well on our way to paying for the new steps.

If you would like to help us raise the additional \$3000.00 to pay for the steps, please make a tax deductible contribution to the Afton Historical Society and send it to:
